

World Equestrian Games Devotion and Prayer Guide Pre- Order Form

The world is coming to Kentucky this September and October for the World Equestrian Games. Affiliated International Ministries (AIM) is composed of churches and related organizations working together to make a positive impact, before, during and after the World Equestrian Games.

There are approximately 300,000 visitors coming from across the US, Europe and the Middle East. The international visitors will come from areas of the world with little or no access to the gospel. The most vital ministry of AIM is prayer; prayer changes lives and can change the world. Prayer is not plan "b" (If I cannot volunteer, then at least I can pray). On the contrary, prayer is God's plan "A".

Kentucky WMU produced a devotion and prayer guide for the 2002 Salt Lake Olympics and 2006 Athens Olympics. They were powerful tool to unite believers in prayer for the ministry opportunities at the Olympics. Following this model, a prayer guide was produced for the 2010 Vancouver Olympics.

AIM will produce one for the World Equestrian Games. The guide will feature devotions written by people from the horse world, Christian leaders from around the world, and AIM/ WEG officials. There will be prayer requests for each day and a schedule of the games.

The guides are of souvenir quality and will be approximately \$1.00 each, plus shipping. We will not know the exact cost until we place the order.

In order to know how many to produce, we are taking pre-orders.
