MORE THAN GOLD

What is worth More than Gold? A relationship with Jesus Christ!

Using the theme, More than Gold, AIM volunteers will use trading pins and Bibles to share the Gospel to the 300,000 or more visitors coming to Lexington for the games.

The **More Than Gold trading pin** is a souvenir quality piece. Pin trading is popular at WEG just as it is at the Olympics. The pins are printed on gold.

Volunteers will give these pins to visitors as a gift and never in trade. The colors in the logo will be used like a salvation bracelet in order to share the gospel as the pin is freely given away.

Each pin costs about 50 cents. We hope to order 50,000. You can sponsor the pins in quantities of 100 (or any quantity you would like).

100 pins for \$50.00

200 pins for \$100.00

Special custom Bibles are being printed. They will feature testimonies from a variety of horse people. A gospel presentation using the theme "More Than Gold" will also be included. These Bibles will not be tied specifically to WEG so that they can be used in the future as well.

The Bibles will cost about \$3.00 each. You can sponsor them in quantities of 25 Bibles.

25 Bibles- \$75

50 Bibles- \$150
